

Brandon Miller

Alabama

20 years old

Projected NBA Skillset:

College Role: Scoring Wing

Projected NBA Role: Stretch Four

- P(Floor Spacer): 0.697

Tubelis has an offense focused game, as he heavily lacks on the defensive end. He needs to improve his shot to make it as a stretch big.

All-around wing that can't find an offensive skill to hang his hat on. Philips excels defensively, but struggled at all levels scoring the ball.
